Terms and conditions for 2023 Community Bank Port Fairy & District Dachshund Dash

Registrations for the 2023 Community Bank Port Fairy & District Dachshund Dash will be taken in three divisions.

- Under 2yo dachshunds
- Over 2yo dachshunds
- Veteran (Over 8yo) dachshunds

NB. Age is determined on 1st June 2023

Registration fee: \$20 per dachshund.

Registrations Close: 4pm on 1st June 2023.

No late registrations or registrations on race day will be accepted.

Registrations will be limited to 100 dachshunds in total across all divisions and a maximum of 50 dogs per age division.

Depending on numbers registered in each division there will be a maximum of five heats of 10 starters conducted. **Finals will be limited to a maximum of 10 starters** with first two dogs in each heat proceeding to the final. If less than 30 registrations per division then the first three in each heat will proceed to a final.

Each dachshund registered in a division must have two handlers - one person to handle the dog at the start line and one to encourage the dachshund from the finish line and capture the dog at completion of a heat/final.

During a race, all handlers at the finish area must remain in the designated collection area which is situated 5 metres behind the finish line.

IMPORTANT: It is the responsibility of the owner to ensure that their dog (whether registered in a heat or advanced to a final) is ready to start the heat or final when called by the announcer. If the dog is not in the designated marshalling area when the track announcer calls up the participants then the entry will be marked as 'no show' and will not be allowed to race.

The decision of the judges in each race will be final.

Any dog on heat is not permitted to attend nor participate in this event and will be disqualified if entered by their owner.
